

THE SDF GUARDIAN ENDOWMENT FUND

My Bequest to the Search Dog Foundation

The Search Dog Foundation "**Guardian Endowment Fund**" was established with gifts received in response to the deployment of our teams to the September 11, 2001 World Trade Center tragedy. Since then, over 250 caring individuals throughout the country have included SDF in their estate plans. Together, these Estate Donors form the *Guardian Endowment Community*.

SDF recruits **rescued canines** from shelters, partners them with **firefighters** nationwide, and provides an **ongoing training program** to make sure the Search Teams have the skills needed to find people buried alive in the aftermath of disasters. We do this at no cost to the government or the fire departments.

"Guardian Glade" at the National Training Center

America has only half the number of FEMA-Certified Canine Disaster Search Teams it needs for adequate response to regional and national disasters. And the teams have no permanent place to call "home." To address this need, SDF is creating a **NATIONAL TRAINING CENTER** in Santa Paula, California. The "NTC" will be the only facility of its kind in the nation dedicated to the recruiting and training of these extraordinary Canine-Firefighter Search Teams.

The Guardian Endowment Fund will be used to help maintain the National Training Center in perpetuity. In this way your bequest will directly support the future of all of America's Search Teams by helping to provide a *home away from home* for the teams.
