GIFT NAMING COLLECTION

20

at the National Training Center SUMMER 2016

We welcome you to become part of this historic project! In recognition of your generosity...

The names of all NTC donors will appear in the Grand Opening Commemorative Booklet

The names of all NTC donors of \$500 and above will appear on the Donor Plaque at the Welcome Center

All NTC donors of \$1,500 and above will be offered a recognition tile at the Welcome Center (*these gifts may be pledged over a two-year period*)

As design and construction of the NTC continues, new naming opportunities have presented themselves, while other available namings have been modified and enhanced. This gives SDF donors more options in regards to acknowledgement opportunities! (Please note that existing, reserved namings in red have not been modified.)

The Gift Namings listed below in RED are reserved, those in BLACK are still available on a first-come, first-served basis.
