SDF's Pet Promise Program...

Individuals who consider their pets as family share a common concern: What will happen to my pets when I am no longer here? To address this concern, and to help put this worry to rest, SDF offers a "Pet Promise Program" which guarantees that our donor's pets will receive loving lifetime care by an SDF-selected "Fur-Ever Family" upon their passing. While these animals may not be the high-drive dogs that are accepted into our Lifetime Care Program, they will be in need of a loving home and may be a better match for you and your family.

To learn more about being a potential "Fur-Ever Family" and participating in the Pet Promise Program, please check the box to the left! Our Estate Manager, Rhett Mauck, will follow-up with you and answer any questions you may have!
