

# GIFT NAMING COLLECTION

## at the National Training Center

WINTER-SPRING 2017

We welcome you to become part of this historic project!  
In recognition of your generosity...

- ❁ The names of all NTC donors of \$500 and above will appear on the Donor Plaque at the Welcome Center
- ❁ All NTC donors of \$1,500 and above will be offered a recognition paver in "Paws Plaza", the Welcome Center Courtyard area (these gifts may be pledged over a two-year period)

As design and construction of the NTC continues, new naming opportunities have presented themselves, while other available namings have been modified and enhanced. This gives SDF donors more options in regards to acknowledgement opportunities!

(Please note that existing, **reserved namings in red** have not been modified.)

The Gift Namings listed below in **RED** are reserved, those in **BLACK** are still available on a first-come, first-served basis.
